

HOW TO JOIN

Stop by our ClubHouse any Friday between 7 and 11pm to get all the information that you need. Not everyone is cut out to ride with an association like Latin American Motorcycle Association; however, if an individual rider is interested in joining our chapter, he or she will be required the following:

Attend our MONTHLY scheduled Meetings, Rides and Events

Display an interest and/or desire to be part of Our Group

When an individual decides to seek Chapter Membership, he or she will be offered the chance to become a "Prospect" of our chapter. The **Prospect patch**, AKA the "P" patch, is issued to any member who is pursuing Full Membership. All prospect members must wear the "P" patch for a minimum of three months. Upon completing three (3) months as a "Prospect" the Membership Committee of our Chapter will vote to promote the **"Prospect" to "Probate."**

If the new member is promoted to "Probate", he or she will be offered the privilege to wear the **"Latin American Motorcycle Association Rockers"**. The L.A.M.A. Rockers are added to the "P" patch to create the Probate Set. Prospect members who are voted to Probate status must wear this set for a minimum of three (3) months.

The Chapter Membership Committee will vote to promote the individual to Full Membership after the individual has completed a minimum of six (6) months as a "Probate" member. If the "Probate" member is promoted to "Full Membership", he or she will then be offered the privilege to wear the **"Full L.A.M.A. Colors"** and become a Full Member of the Latin American Motorcycle Association Orlando Chapter. "Full Colors" are awarded to "Probate" members who successfully complete the six (6) month probation period. "Full Colors" are always awarded in a Ceremonial fashion.

Important to Know...

Latin American Motorcycle Association does not give "COLORS" away.

An individual must earn the right and privilege to wear Our Colors. **Any member** that fails to meet and/or comply with Latin American Motorcycle Association National ByLaws will be immediately stripped of Latin American Motorcycle Association membership and of Latin American Motorcycle Association Colors.

Visit our Club House on Friday nights from 7-11pm. Contact Jose Isla/President at 321-663-9347
